Subject: Complaint

Dear Assistant Director Will,

Applicant respectfully references his letter to Assistant Director John G. Raucci dated 11/30/2009, a copy of which was sent to Assistant Director Will's attention along with a CD-ROM containing key documents as well as portions of applicant's Merit Systems Protection Board appeal, which was recently dismissed. Applicant apologizes for sending the lengthy submission without introductory information.

By way of introduction, Applicant wishes to file a complaint with the Office of Professional Responsibility regarding the handling of applicant's case by portions of the Special Agent Clearance Unit and Office of General Counsel from 6/15/2009 to 7/1/2009.

Because the FOIPA office and/or the Office of General Counsel have suppressed the Manual of Administrative Operations and Procedures from Applicant despite legitimate FOIPA requests, Applicant respectfully seeks advice from OPR as to how to file a complaint with OPR, such as what format and level of detail to include.

Sincerely,

[REDACTED]
